Say Goodbye to Y!

Starting soon, patients will be registered for text messaging as soon as you enter their phone number in EPS. Patients no longer have to reply with Y to confirm their registration

HOW IT WORKS

1 Ask for the patient's **mobile number**.

2 Select the **Mobile Services** checkbox. Enter the 10-digit mobile number **here**.

☑ Mobile Services

3 Select **Save**. Ignore the Auth Code. Patients will no longer need it.

Let the patient know they will get a welcome message.

The patient will get a text that looks like this:

Patients can stop messages at any time by replying with **STOP**.
